

Limited Economy Model

this special edition economy model is our way to thank all our distributors for your kind support all this while. we hope this economy model will help you compete & gain more business.

- economy model with new IGBT technology
- new attractive all steel, IP21s compliance casing design for safety, durability & better heat dissipation
- small, light, energy-efficient & easy to operate
- produces quality welding result with deep penetration & good weld pool
- suitable to use with many type of welding rod, inclusive of cellulose rod

SPECIFICATION	MMA1600
Power Rating	AC 230V @ 50/60Hz
Output Current (A)	10 -150
Weldable Electrode Size (mm)	2.0 - 3.25
Rated Duty Cycle (%)	60
Efficiency (%)	80
Weight (kg)	4.5
Dimension (mm)	285 x 115 x 180
