

easy to use

effective in delivery

efficient in energy utilization

economical to own & operate

enduringly reliable

the eWeld MMA series:

- is light, energy-efficient & easy to operate
- has good arc-start, arc-force & resistance to interference
- generates stable arc with low spatter level
- produces quality welding result with deep penetration & good weld pool
- has inbuilt protection circuitries against current & temperature extremities
- can endure reasonable current fluctuation
- suitable to use with many type of welding rod, inclusive of cellulose rod
